DUTTON CHRISTIAN SCHOOL

EARLY 5'S AND KINDERGARTEN

Intentionally Christian
Accountable Instruction
Expect Community

EARLY 5'S

Early 5's class is designed for the child with a summer or fall birthday who would benefit from an additional year of school for social and/or emotional growth prior to entering kindergarten. Early 5's students participate in PE, library, and music.

THREE DAY KINDERGARTEN

Three Day Kindergarten is a comprehensive program fully preparing children for first grade. Students participate in PE, Spanish, art, library, and music. This option is best suited for a student who may not have the stamina for a full-time kindergarten program or for the family desiring a part-time school schedule.

PROGRESSIVE KINDERGARTEN

Progressive Kindergarten combines the benefits of three day and five day kindergarten by allowing your child to build school stamina gradually. Enrichment activities are added throughout the year as the students' time at school increases. Students participate in PE, Spanish, art, library, computers, and music.

FIVE DAY KINDERGARTEN

Five Day Kindergarten meets the same educational objectives as the other kindergarten programs but with increased enrichment opportunities. Students participate in PE, Spanish, art, library, computers, and music. This option is great for a child who has the stamina needed for five full days of school.

HIGHLIGHTS

Teaching for Transformation (TfT)

Utilizing the TfT framework, students are engaged in learning activities that help them See God's Story and Live God's Story. Children understand that they play a vital role in transforming God's world and are a part of His story.

Zoophonics

Zoophonics is the basis of our Early 5's and kindergarten literacy programs in which students learn the connection between letters and their sounds through movement, writing, reading, and classroom activities.

"Travel God's World in 180 Days"

In Early 5's, we "travel" the globe and explore all of God's creation, celebrating how God has created so many beautiful creatures and their unique habitats.

ABC Bible Verses

One highlight of our kindergarten program is memorizing a verse from the Bible for each letter of the alphabet.

ELIGIBILITY

Early 5's

Your child must be 5 years old by January 1st.

Kindergarten

Your child must be 5 years old by September 1st.
