

## Immunization

All parents of Early 5's and Kindergarten students must present documentation showing your child's immunization history. Per Michigan law, all Early 5's and Kindergarten students are required to be fully immunized with the vaccines required for school entry or have a valid certified waiver by the first day of school. Therefore, if a student is incomplete for the required immunizations for their age by the first day of school, he/she cannot attend until he/she has received the immunizations or turned in to the school office a valid certified waiver from the Kent County Health Department.

Hearing and vision screening is also required. The health department offers this screening at no cost. Your physician can also screen your child. If your child attended prekindergarten, your child may have been screened by the Kent County Health Department at school and a certificate sent home to you. This certificate can be turned in to Dutton Christian School. If your child currently attends Noah's Ark Christian PreKindergarten at DCS, our office will have a copy of this certificate on file.

## Enrollment Criteria

If there are limited spots available in a particular class, class lists will be determined according to the following prioritized criteria:

1. Staff members' children
2. Students whose siblings attend Dutton Christian K-8th
3. Students currently enrolled in our Early Childhood (PreK, Early 5's, Kindergarten) program
4. Date family enrolled in the Tuition Reduction Incentive Plan (TRIP) and active use of the account as a commitment to attend Dutton Christian K-8th
5. When the number of remaining registrations exceeds available spots, a lottery system will be used. A waiting list of names will be kept on file and the lottery system used to fill vacant positions.
